Yes

Reason(s) for Excision:

Excision 1. 78:35 - 81:14.

Remove the depiction of three men masturbating over and then ejaculating into a woman's mouth as she is positioned below them. The manner of this presentation is considered to be degrading. The depiction portrays the woman as subordinate and servicing the males' sexual requirements. In the context of a video recording intended to sexually arouse a predominantly male heterosexual audience, this image, presented as appealing sexual conduct, is considered to have a negative impact on women generally.
